## Parish Council News - Dawn Parker

A new Parish Council! I am very relieved to tell you that we finally have a Parish Council in situ and we have held our first meeting!

Your Parish Councillors are [drum roll]:

Chairman: Jo Rooney

Me (Dawn Parker)

Andy Ball

Pete Rooney

So, the eagle-eyed among you will have spotted that we still have some spaces left! It is possible for us to co-opt other councillors to make up the complement of seven councillors. We would really like to do this because it is good to have a breadth of experience and also to ensure that in the event of absences because of illness/work/holidays, we still have a quorum. If you are interested in joining the Parish Council, we have attached the form that needs to be completed please and returned to our Parish Clerk by email to: [ljparishclerk@gmail.com](mailto:ljparishclerk@gmail.com). Meetings are in person and unfortunately the local government requirements that we have to comply with, mean that it is not possible to join a meeting remotely.

Some people have expressed an interest in joining the Parish Council and we would urge you please (if you are still happy to do so) to fill out the form.

**Village Hall:** the Village Hall working group has been meeting regularly to take things forward- a few things are being planned- so watch out for news! The village hall is a beautiful resource and available for hire for weddings and children's parties and similar as well as for business uses: for bookings <https://www.hoveringham.net>

## **Please Support Our Village Hall by Joining The Minkley Club**

The Village Hall has always been a central hub for the village. It serves as a gathering place for various events, celebrations, meetings and activities that bring us all together. From weddings and birthday parties to the Hoveringham Village Show and community meetings, the village hall is a vital space for us to connect and create lasting memories.

However, like any building our village hall requires regular maintenance and upkeep to ensure it remains a safe and welcoming space for everyone. By participating in the Minkley Club, you can directly contribute to the upkeep of our village hall while also having a chance to win prize money.

Here is how The Minkley Club works. You set up a standing order to pay £5 a month per draw number. You can purchase more numbers at £5 each. Your number(s) is placed in a monthly draw and prizes are distributed for each month. The prizes are as follows:

First Prize £100

Second Prize £50

Third prize £25

Winners are published in Hov News and prizes are paid by bank transfer direct to your account.

To join the Minkley Club please contact Janet Hopewell by emailing her at [jmhopewell@hopewells.co.uk](mailto:jmhopewell@hopewells.co.uk).

Thank you in advance for your generosity and support, and to those who are already members of the Minkley Club thank you for your continued support. Together we can ensure that our village hall remains a vibrant and cherished space for generations to come.

We understand that times are tough for many, so if you feel unable to join the Minkley Club, we do accept one-time donations.

Please spread the word to your neighbours and friends who may be interested in supporting our village hall.

Kind regards

Janet Hopewell

On behalf of the Village Hall Working Group

## The Furtive Forager

Want to make some lovely cordial and impress your family and friends? Get back to nature and go out picking the elderflowers that are everywhere around the village (tip- there are lots on the walk around the lake- particularly if you start from the path from Gonalston Lane, by the railway).

Recipe for Elderflower cordial

50 Elderflower heads (if you are picking with kids, please make sure they do not pick the Hog Weed/ Cow Parsley/Sweet Cicely by mistake)

4 unwaxed lemons- chopped

6 pints of cooled boiled water

100g citric acid (you can buy online or at Boots- it just helps the cordial last longer)

2.5kg of sugar (you can try and use less to taste but this gives a more traditional cordial taste and consistency and can be well diluted.)

Put all the ingredients in a (very) clean bucket and leave for two to three days. Strain into clean bottles (use a sieve and then a muslin cloth or cotton tea towel to get a nice clear result). Dilute with sparkling water or soda to drink.

Please send in your foraging tips and recipes!

## Hoveringham Village Show - what's it all about?

Our Village Show is back on Sunday September 3rd and for those of you who are thinking about entering some of the classes and would like to know more, here's a quick rundown of what it's all about.

The show is your opportunity to share your achievements, whatever your age, by bringing along things you have made or grown and entering them into the relevant classes at the show. We need gardeners, bakers, sewing enthusiasts, artists, craftspeople and photographers to fill the tables with their wonderful exhibits. If you don't fancy entering an exhibit, then please come along in the afternoon for a look round - people's skills and talents are quite astounding and it's lovely to share in their successes. **ENTRY IS FREE FOR EVERYONE!!!** and our fabulous WI are in charge of refreshments so you're guaranteed to get yummy cake.

In August we'll email Hovwatch with a Show Schedule listing all the classes, along with information and the entry form (one per person) that you'll need to enter your exhibits. We'll also post paper copies of the Show Schedule to all the houses in Hoveringham so keep an eye out for them.

Entering exhibits in the show is really straightforward so don't be shy. You simply fill in your entry form and bring it, along with your exhibits, to the Village Hall in the morning (timings in the Show Schedule). You'll be given an exhibitor's number and tickets for the classes you're entering then you take each exhibit with its numbered class ticket to the right table and leave it there to be judged (we'll help you if you're not sure how to display things). You then go home, have a slap up Sunday lunch while the judges do their stuff and come back later to see how you've done. There are cash prizes for all the classes as well as trophies to be won (details in the Show Schedule) - how good is that?!

Hope to see you there.

## Hoveringham WI report

Our annual AGM was held on 1st June in the Village Hall the main officers have remained unchanged, Diane Yates President, Jill Richards Secretary and Pam Slack Treasurer. We are also helped by a committee.

At the meeting a national resolution was discussed The Clean Rivers Campaign this aims to ensure that all rivers are monitored for pollution levels where there are bathing areas, the idea behind this is that if all rivers have at least a section fit for bathing then the pollution will also be checked.

The WI has taken credit for many resolution's that have then gone on to be discussed by the Government.

- ◆ 1921 More Women needed to be Judges and on Jury Service.
- ◆ 1954 The Keep Britain Tidy Campaign
- ◆ 1964 Reduce Smoking in Public Places. / Routine Cervical Screening.
- ◆ 1960s & 70s Reduce Plastic Pollution
- ◆ 1986 HIV & AIDS Awareness
- ◆ 2012 More Midwives

This is just a small selection of past campaigns that the WI has been responsible for over the past 100 years.

Our July meeting was a watercolour workshop organised by one of our members Val Parker. After a little gentle persuasion everyone went home with a painted bookmark.

In August we are having a visit to Bulcote Model Farm followed by a social. Our hall based meetings start back on Sept 7th at 7:30 in the Village Hall with a talk titled The Flying Housewife.
