## Parish Council News - Dawn Parker

Well, I am very pleased to report that we have a new Parish Councillor. We are very pleased to welcome the delightful Katie Ollivere who was co-opted at our September meeting. So, the Parish Councillors now are:

Chairman: Jo Rooney

Me (Dawn Parker)

Andy Ball

Pete Rooney

Katie Ollivere

**Village Hall:** For those of you who don't know, the Village Hall working group is a group of volunteers that meets regularly in order to help the Parish Council with the running of the village hall but also to organise fund raising and community activities centred around this lovely resource. Unlike the previous Village Hall Committee, membership is much more flexible because it is just a group of volunteers and it is the Parish Council that has taken on the day to day administration of the hall. Maybe you just fancy helping out for a specific project or event but don't want to get stuck on a "committee" - no problem! Maybe, you have a particular skill that could help us or you have a contact who may be interested in regular bookings- great- come and talk to us! The people involved at the moment on the working group are:

Janet Hopewell, Maria Moore, Nadine Gilbert, Helen Nall, Dawn Parker, Jo Rooney,

Katie Ollivere.

Our next meeting is in the **Main Hall on Thursday 5<sup>th</sup> October at 7:30** (the WI are in the Minkley Room so please be sure which meeting you are going to!). We try to keep things relaxed and fun!

So current ideas in the mix are:

- to hold a craft fayre in the near future

- to revive the Safari Supper.

Would you be interested in helping us out or getting involved with either or both of these? Maybe you have an amazing idea of an event and you'd like to stage it with some help? Please speak to any of us or come along to a meeting- we'd love to chat.

The village hall is a beautiful resource and available for hire for weddings and children's parties and similar as well as for business uses: for bookings and availability please go to:

<http://www.hoveringhamparishcouncil.org.uk/village-hall>

## Chapel Field:

It was lovely to tidy up the Chapel Field on the community volunteering day we had the Monday following the Coronation. However, there is no doubt that the Chapel Field needs fresh ideas and a bit of TLC. In the past groups of parents have fund raised and project managed the multi games area and play equipment we have today- a huge effort at the time. We would love to get-together a group of energetic young parents and volunteers who will take on the challenge to maintain and improve what we have- and the good news is that there are some funds left from the hard work of the previous group! Again, this would be a working group so you would have the full support (and insurance cover) of the Parish Council and you could choose specific projects to be involved with. We are lucky that we have young children in our village and it would be great to have a space that they can enjoy- please get in touch!

If you are interested please contact Jo - jorooneyhovpc@gmail.com or

Dawn- dawn.hovpc@gmail.com.

## And finally.....**Minkley Club Winners:**

The lucky winners for September are:

September:

£100 – Eric and Dagmar Allwood

£50 - Mark and Lindsey Clifford

£25 - Alan and Debbie Knox

If the lucky winners could please get in touch with me (dawn.hovpc@gmail.com/ 07791 608035) with your bank details to arrange payment please! If you have not joined – please contact me as all profits go to the Village Hall upkeep.

**Information about Flooding** It is getting to the time of year when we need to think about flooding risk. We are fortunate in Hoveringham that, for the most part we have escaped serious flooding. The flood in 2000 was the most serious and since that time, the council and the Inland Drainage Board have been diligent in ensuring the main ditches and waterways have been kept clear. We also have the Gravel Lakes which provide a useful reservoir.

More information can be found on the link below to the HPC website

# SOFT EDGES ART GROUP ART EXHIBITION

2023

**Hoveringham  
Village Hall**

NG14 7JH

**Free Entry**

Sat 21st - Sun 22nd October

10am - 4:30pm

Refreshments available

## Soft Edges Art Exhibition

The annual Soft Edges Art Exhibition is to be held on **Saturday 21st October and Sunday 22nd October from 10-4.30 pm in Hoveringham Village Hall.**

Admission is free and light refreshments will be available to purchase. Tea, coffee, and cake etc.

The first exhibition was held in 1997, 26 years ago. The Group was formerly the " John Townsend Student Workshop". John Townsend was a well known artist who lived in Hoveringham with his wife Tina for many years.

Membership of the group includes some of the original people who John taught. Other artists have joined the group including some water colourists from Burton Joyce.

Other members paint in oil, acrylics or mixed media.

There is usually a raffle and a chance to vote for your favourite painting.

Do pop in over the weekend . We would love to see you.

Commissions are also accepted by some of our artists.

For more information contact Simon on [softedgesartgroup@gmail.com](mailto:softedgesartgroup@gmail.com)

Thanks.

Helen Wilkinson

## PAINTING IN DIFFERENT MEDIUMS

As you go around this year's Exhibition you will see paintings in many different painting mediums. Each medium has its own qualities that will render the same subject differently to that of another.

This is what the SEAG artists say about their favourite painting mediums.

## OILS

Although I paint in a variety of mediums I regularly revert back to painting in oil. Most of my paintings in this year's Exhibition are in oils. It was with oils that I first learned to paint.

Painting with Oils is somewhat messy, each layer needs to dry before you can move on to the next, so it is very time consuming. However, I love the buttery consistency of oils and the different feelings that you get when the brush or palette knife loaded with paint, slides across the canvas. That can be in heavy impasto or as delicate as a butterfly's wing. It's a joy to be able to blend the tones, create the soft lost and found lines, that enables me to create form within the painting whatever the subject.

Joyce Rick

## Acrylics

Acrylics are a clean and convenient way to paint. They are mixed with water so any splashes can be wiped or washed off.

The paint flows easily and encourages bold and creative art work. The colours are vibrant, too, and it is easy to go over any areas that need improving!

Gels and palette knives can be used to give texture. The paintings dry quickly and once varnished can last for years.

Teresa Mee

## Acrylic Inks

I work mainly in acrylic Inks and watercolours which create vibrant colours and textures in a painting. I explore themes of nature. Sourcing subject from life and my photographs.

Yvonne Kirk

## Watercolour

Watercolour is a beautiful medium, if not always easy. We like the way the colours intermingle on the paper, the way some colours granulate and the lovely transparent washes that can be obtained in this versatile medium.

Grace Douglas , Jean Terrington

## Drawing

Looking at Contemporary Art you might imagine that drawing is the preserve of architects and town planners. This is not so, drawing underpins all paintings, prints and sculpture. Think of Henry Moore's drawings of the art he was planning. Moreover Tracy Emin is famous for her "My Bed" installation but is in fact Professor of Drawing at the Royal Academy. She can draw a perfect circle!

Chris Bulpitt

**Hoveringham Village Hall is available to hire  
please visit website for details.**

## **Open Water Swimming in Hoveringham** - Cadi Lambert

Membership for swimming is £12 per year and it costs £6 for each swim once you've joined. (discounts are available).

For more information on the lake and how to join.....

visit: Nottingham - **LoveOpenWater Swimming**, or contact Cadi on **07834549523**.

At our August meeting we usually hold a walk rather than a hall based meeting and this year we had the chance to tour redundant farm buildings owned by Severn Trent at Bulcote, it was built by Nottingham Corporation to dispose of sewage from the City of Nottingham in around 1901 as there was a massive cholera outbreak and the farm was built to dispose of all the sewage. It was a model farm and certainly no expense was spared when looking at the structure.

It has now ceased being a commercial farm at that site and will be developed for housing.

At the September meeting titled The Flying Housewife we were entertained by Paula Cornwall who became The Honourable Mrs Victor Bruce for the evening. She came dressed in clothing befitting the period and then proceeded to regale us with her tales of flying around the world in a small blue plane called Bluebird in the 1930s.

Such a fascinating talk and a truly daring lady who also held land speed records, well worth a Google to read more about her life.

The next meeting will be on 5th October with a talk from a local Blood Bike volunteer. We start at 7:30 and meet in the Minkley room at the village hall.
