**John Pearson driving his Foden S21 Hoveringham lorry KNN 616E.
Hoveringham Mammoth logo on the door panel.**

**26th January 2019.
Our first visit to Clifton.
The Mammoth in residence at NTU Clifton Campus.
1991 - 2020.**

19th January 2020.

Our second visit to Clifton.

An investigative visit to determine what we would need to move the Mammoth.

11th June 2020 NTU gifted the Mammoth to HVVS.

1st July 2020.

Our third visit to Clifton.

Mammoth cut free and on the move.

Ready to leave Clifton.

Arriving at Thurgarton.

Ready to be stripped down.

During the following months the Mammoth was stripped down piece by piece. Each panel was weld marked for identification, a Mammoth jigsaw was created. The strip down was necessary to enable the sculpture to be transported away for shot blasting and painting.

Planning permission was granted on the 4th August 2021 for the initial chosen site adjacent to the office lake entrance.

After a review of costs it was decided not to be viable.

We started to look for alternative local sites.

A meeting with the highways department on the 9th September 2021 resulted in permission being granted to place the Mammoth on the grass verge adjacent to the Creagh compound.

A highways S115 certificate of confirmation was received on the 21st February 2022.

Planning permission was applied for and subsequently granted on the 6th April 2022.

21st March 2022.

Mammoth pieces returned shot blasted and painted.

30th March 2022.
The re-build commenced.

30th May 2022.
The area for the sub-base was prepared and the slab was poured.

13th June 2022.
Plinth formwork built and fixed to sub base slab.

**14th June 2022.
Plinth cast.**

The groundworks team.

25th June 2022.

Delivery and installation of the Hoveringham Mammoth including landscaping.

Standing Proud 25th June 2022 - ???????.
Within 50m of it's original placement outside the Hoveringham Gravels head office.

A BIG THANKYOU

To all who have contributed whether by donation, time and effort, assistance, encouragement, guidance and support the project would not have progressed without you.

THE HOVERINGHAM MAMMOTH
